### When and where are the current income eligibility guidelines published?

The Corporation publishes the annual income eligibility guidelines shortly after the issuance of the HHS Poverty Guidelines, usually in February or early March. When issued the income eligibility guidelines are posted at <a href="www.seniorcorps.gov">www.seniorcorps.gov</a> under "Manage Current Grants." The guidelines clarify that for eligibility purposes, income does not include the value of food stamps provided under the Food Stamp Act of 1977, as amended.
